# 2008-2009 SCRIP PROGRAM

# SCRIP

Is another word for "substitute for money".

St. Luke School has two major fundraiser programs in place:

- **Gift Card Program**
- **Electronic Program**

## **What is the Gift Card Program?**

The school or non-profit organization purchase negotiable items such as "Gift Cards" from a Scrip center supplier at a discount. These gift cards are issued by national and local merchants where many families already shop. All of these merchants want to support non-profit organizations and why not take advantage of it!

## **How does the Gift Card Program generate revenue for the school?**

When St. Luke School purchases the gift cards from the Scrip center at a discount, and re-sells them for a full face value. That is how the profit is made.

## **What is the Electronic Program?**

It's a year round fundraiser at no cost to you, that consist of enrolling online your grocery stores club cards, debit or major credit card, and some of your department store credit cards, (if you do not have the above credit cards, you do **not** have to go and obtain one).

## **How does the Electronic Program generate revenue for the school?**

Every time you shop at a grocery or department store and swipe your club card or credit card the school will receive a percentage of your total purchases accumulated every quarter. Just make sure that you enroll or renewed your club cards or credit cards and that you designate St. Luke School as a recipient.

## **Is there a minimum of grocery club or credit cards to enroll with the Electronic Program?**

No. We encourage you to enroll all or at least three cards (see list). When you participate in any of these grocery or department stores, you will be helping St. Luke School earn free money!
